Coleman Cooler Float

Holds a 36- to 50-quart cooler. Floats with up to 100 pounds worth of ice and beverages. Double Lock valve has two sealing points that guarantee a leak-free valve. Exclusive PVC provides better puncture resistance. Snap N Stay cord connects Coleman water recreation products together.

Blue 8 LED Flashlight, 4 inches long, uses 3 AAA batteries

Case Logic Auto Catch All

Cell phones, pens, and sunglasses are now within easy reach when driving thanks to the Automotive Catch-All. Simply bend or twist the adjustable hook to fit into an air vent or hang on a door handle. A plastic ring ensures the soft, durable neoprene pouch will stay open wide to provide quick access to contents.

Gigantic 8' wide tube easily accommodates three riders, and flips over to become a floating deck or hide-a-bed. If the next generation is very much bigger, we'll fit it with an outboard and tow the ski boat with it.

Panasonic
5-Megapixel Digital Camera with 6x Optical Zoom

The MEGA Optical Image Stabilizer Helps Eliminate Blurry Pictures

Jitter from shaky hands is one of the main reasons why cameras produce blurry images. We don't expect everyone to have hands of stone when taking pictures--that's why Panasonic digital cameras help solve the problem of unsteady hands with advanced MEGA Optical Image Stabilizer technology. Our cameras have a built-in gyrosensor that detects any hand movement and relays a signal to a tiny microcomputer inside the camera, which instantly calculates the compensation needed. A linear motor then shifts the Optical Image Stabilizer lens as necessary to guide incoming light from the image straight to the CCD. You won't even notice it working--all you'll see are the outstanding results!

BOSE WAVE MUSIC SYSTEM

A bold new standard in audio performance from a tabletop system as elegant as it is easy to use. The Bose® Wave® music system may well become the primary music system in your home.

The Wave® music system reproduces one-half octave lower musical notes and delivers even greater clarity and definition than the original Wave® radio/CD. With its deeper tones and even more lifelike sound, you might just feel like you're sitting in the front row.

Available in Graphite or White
